The BTW was founded in the USA in 1983 by Jim & Lady Sickler. Its purpose is to unite trikers from around the world, to provide and share trike and trikeing information.

In 2002, BTW Europe & Overseas (EOS) was formed to take over the old and new members outside North America, Canada and Mexico.

When Shaun (Hightower) and Jackie Lloyd joined the BTW-EOS in 2002, there were about four other members of the BTW-USA in the UK. Shaun and Jackie were appointed as the new Country Directors for the UK. Shaun and Jackie retired from this position in 2011 and Punky took up the post.

Unfortunately the BTW-UK received little or no support from BTW-EOS, so on the 15<sup>th</sup> January 2005 UK member's re-joined BTW-USA. On the 22<sup>nd</sup> April 2023 BTW-UK became an independent chapter.

We hope this information pack will answer some questions that you may have and let you know the sort of things that the Brothers of the Third Wheel get up to as part of this worldwide family association

# Brothers of the Third Wheel-UK

**Hi and welcome to the UK Chapter of one of the Largest Trike Associations in the World. BTW has over 5,000+ members worldwide; with approximately 400 based in the UK and Ireland.**

**We are very active in fund raising for various charities including the Air Ambulance, Blood Bikers. And various local charities to BTW-UK members areas. Elsewhere in this information leaflet you can see some of the things our members get up to.**

**As a Trike Association we do things a bit differently to other groups. Whilst we encourage members to join in the fun, attend area meetings, party, attend rallies, there is no obligation for any member to do anything.**

**If you want to join in that's great, and we hope you do, but if all you want to do is read the newsletters that's fine by us.**

**We are a VERY laid-back group and have members all over the UK and Ireland. If you go to a local or major bike meet there will often be at least one of our members there.**

**We also go on longer trips for the more adventurous members amongst us, Holland, Belgium, Germany, Ireland and USA are among the Countries visited by our members over the last couple of years.**

**So you are interested and need to know more. Pick which area is nearest to you and see if there is a local meet. Everyone is more than welcome to attend our meetings and members there will let you know what is going on local to you.**

**Or you can contact Punky and he can help you out with any questions you may have punkys phone number is 07912 101065.**

**Our email is [btw-uk@hotmail.co.uk](mailto:btw-uk@hotmail.co.uk)**

**Visit our web site [www.btw-uk.co.uk](http://www.btw-uk.co.uk).**

**You will get an idea of what BTW is all about and once you become a member.**

**The annual membership fee covers all family at that address. So if it's one member or a whole family it is the same price - £30.00 TOTAL. Our members also enjoy a very good discount on trike insurance. This discount would cover the membership alone. You get access to the member's only section on our Facebook page where you can discuss BTW-UK policy, trikes, up coming events, news and technical info to mention just a few things.**

**For those not on facebook we also send you a regular news letter so you can stay up to date on all that is happening within BTW-UK.**

**You will also be invited to join your fellow members at the yearly get together in July at the ' Threedom Rally ' celebrating all things BTW-UK. Every member is treated as an equal and you will have the same voting rights no matter what your gender, race, creed, disability, trike or length of membership.**

**Interested?why not come to a local meet and talk TRIKES.**

**Thanks for your time and we look forward to meeting you in the future.**
