ARTICLE VIII. AMENDMENTS.....10

ARTICLE I. NAME

The name by which this Chapter of BROTHERS OF THE THIRD WHEEL, herein known as BTW, shall be known as : - BROTHERS OF THE THIRD WHEEL - Ireland (BTW-IE) herein known as the Chapter as agreed by the members present at the Annual General Meeting held on ../../21

ARTICLE II. PURPOSES

The specific purpose of the Chapter will be to carry out the purposes spelled out in the BTW Bylaws, as well as other purposes listed below.

1. To unite all members of BTW within Ireland.
2. To hold regularly scheduled meetings in order to keep the membership informed and to receive input from the membership.
3. To plan Chapter events and conduct other Chapter business that the members deem necessary.

ARTICLE III. MEMBERSHIP

Membership in the BTW-IE Chapter shall be open to any-one who is a member of BTW in good standing and in good standing with the Chapter, residing in Ireland.

BTW-IE does not discriminate in any manner. All decision making power shall be vested in the membership. No officer shall make decisions involving the Ireland Chapter, without Chapter approval.

Good standing:

Shall mean that all appropriate dues have been paid and there has not been a vote or decision taken by the Chapter to revoke the membership.

Putting BTW at Risk

Anyone who puts the risk of others in question WILL have their membership terminated as being in contravention of Article III(A). BTW-IE is a family association and the safety of those members is our top priority.

If the member has a few days, a week or be it months, they will forfeit any membership benefits such as admittance to the members section of the forum, receipt of the bi-monthly newsletter, use of the BTW insurance discount codes and any other benefits that members enjoy.

This includes the wearing of any official BTW badges or patches, which should be either returned or sold back to the association.

Loss of membership

Membership in the Chapter may be **revoked**:

1. By a majority vote of the members.
A motion must be made and seconded at a regular meeting with a vote being taken at a second meeting being held no less than 30 days from the meeting in which the motion was made.
2. By bringing the BTW or any of it's members into disrepute

Any member whose membership is under consideration for revocation shall be notified of the pending action in writing afforded the opportunity to hear the charges against him or her and have the opportunity to appear before the membership on his or her own behalf.

3. non-payment of applicable dues after a grace period of 30 days.

Revocation of membership

As a family association, we should never be seen to publically disrespect (**put the BTW at risk**) by actions or words, either verbal or in writing (this includes internet posts), any of the following:

1. A member of the public or public services.
2. The armed forces or its member.
3. Any Motorbike or MotorCycle Club or its members.
4. Any association or its members.

This includes the BTW International Association and its members.

Bringing the BTW or its members into disrepute or danger, may lead to one of the following:

1. Removal of the right to wear BTW badges/patches.
2. Suspension of membership in the BTW pending a formal review.
3. Immediate revocation of membership in the BTW.

In line with standard practice, formal warnings may be given, but is not guaranteed.

Leaving:

A member that declares by writing through official channels, which are to include, an email to an RC, the Director or Assistant Director, PM to the said officers or by posting within the members section of the forum of their intent not to renew their membership, or to leave the BTW-IE chapter, their membership will end when the date of their termination is noted by an officer and responded to either by email, pm or reply to their post.

Chapter Dues

May be assessed by the Chapter and will become a condition of membership.

All members of a Chapter must be notified in writing of the proposed changes, involving dues, not less than 30 days prior to the vote.

The amount of the dues may be adjusted by a vote of the membership at a regularly scheduled meeting by a majority vote of the members in attendance, provided proper notice has been given.

Chapter dues may involve a special assessment for those members wishing to receive the Chapter newsletter.

The Chapter Dues must include the BTW membership fee that is to be paid to BTW Headquarters.

Status

There shall be no probationary period for new members. Every member is equal and entitled to the full benefits of members without time constraints.

Nothing within these by-laws shall be interpreted that anything is mandatory, or required of a member. That shall include the wearing, or not wearing, of the BTW Backpatch/Badge at any time or place.

Any member wishing to wear a BTW Backpatch/Badge must first read the "BTW-IE Guidelines" to ensure the MC/MCC's in that area have accepted the BTW Backpatch/Badge and abide by these guidelines.

Patches (Badges)

Subject to the BTW-IE Guidelines, members up to the age of 16 may wear the BTW Junior patch. From 16 members may wear the BTW front patch only. From 18 members are permitted to wear full Patches, front and back. If you are wearing a back patch, no other patches are permitted on the back. Avoid red patches, as these could be mistaken for an HA patch.

Riding

The BTW Back patch/Badge **IS NOT to be worn whilst riding a motorcycle, or whilst riding with an MC/MCC**, as this would give the rider the impression of being an MC/MCC and would cause BTW-IE to suffer reprisals.

The BTW Back patch/Badge **IS NOT to be worn whilst riding between areas** as this could lead to the rider riding in an area where the MC/MCC does not allow the wearing of patches, which would cause BTW-IE to suffer reprisals.

Areas

Being registered in a BTW-IE area does not mean that you are a member of that area. YOU ARE ALL MEMBERS OF THE BTW International Association ONLY.

Areas were set up by the Chapter Director for administration purposes, and to provide local points of contact only. Changes to BTW-IE administration areas are not permitted without Chapter Director Approval.

Attending meets is not mandatory and as a member you may attend any meet you like, however, members usually attend their nearest.

All BTW meetings are open to members and non-members alike, but each area RC also has the right to be allowed to have private time at meetings to discuss BTW-IE area matters.

As a BTW-IE member, you should NEVER indicate support for a 1%, it could cause problems for us all. We are an association that is not affiliated to any MC, nor are we members of the Alliance. For example, if you are riding with an MC to or from an event, you must cover up or remove your BTW-IE patches

Third Party Liability Insurance

The BTW-IE holds limited Third Party Insurance for BTW-IE approved events only. All non BTW-IE events attended are not covered unless sanctioned as a BTW-IE supported event by an area RC or the BTW-IE Chapter Director. You are not covered by the BTW-IE insurance unless it is a pre-sanctioned event.
